Success rate by state

Rule-based flag rate by state

State

- [ ] Andhra Pradesh

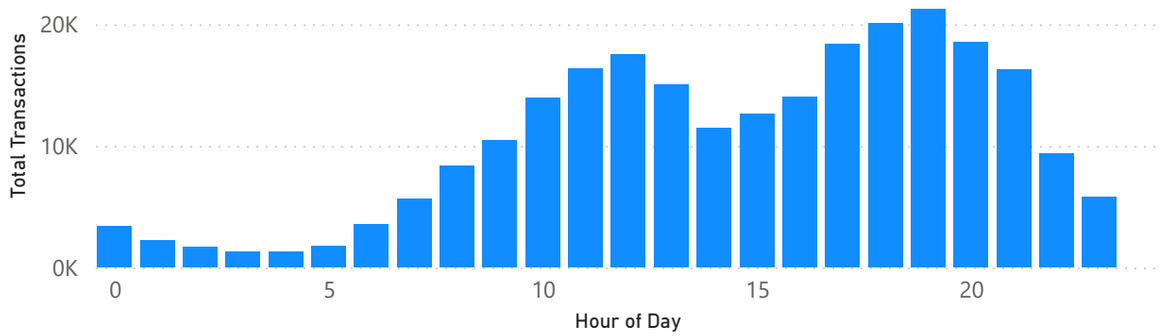

Maharashtra (37,427), Uttar Pradesh (30,125) and Karnataka (29,756) contribute 38.92% of volume. Karnataka has the highest flag rate (0.232%) and Rajasthan the second highest (0.230%); differences are small in absolute terms.

Time & Trend

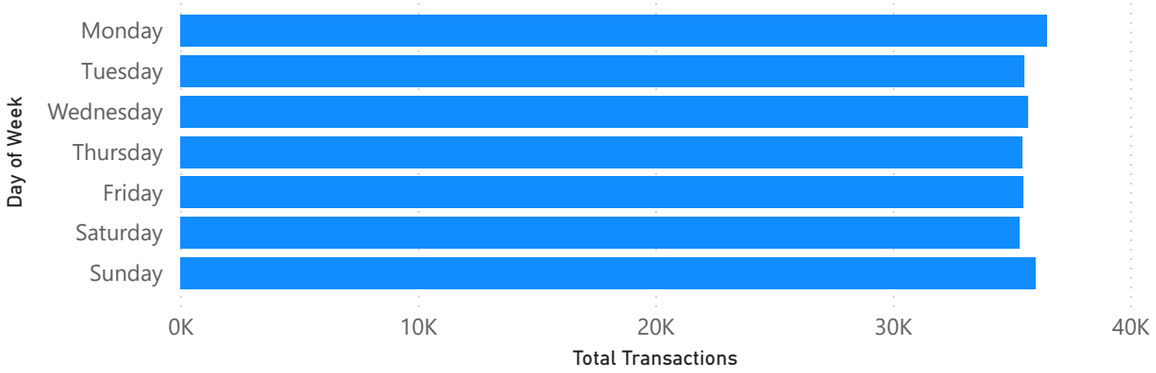

Seasonality is weak: volume is broadly flat month to month, with a clear intraday evening peak.

19	21K	684.9	28.53%
Peak Hour	Peak Hour Transactions	Avg Daily Transactions	Weekend Share %

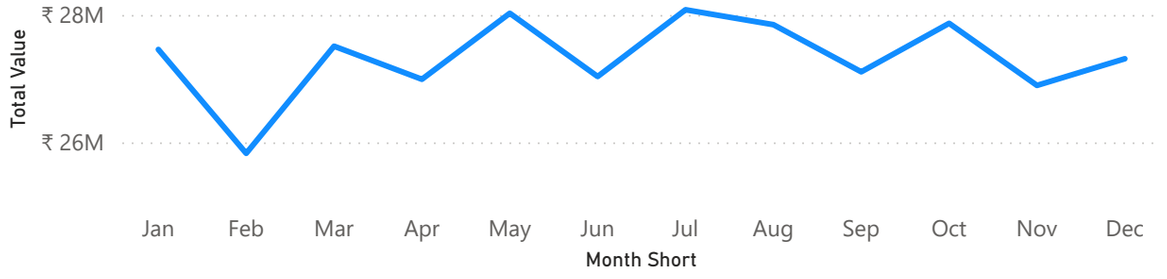

Transactions by hour of day

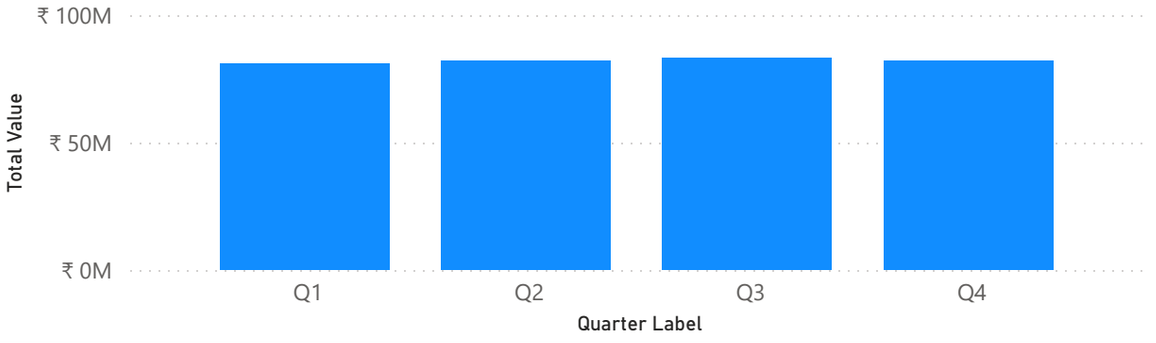

Transactions by day of week

Monthly payment value

Quarterly payment value

01-01-2024 31-12-2024

Peak hour is 19:00 with 21,232 transactions; 17:00–20:00 accounts for 31.26% of daily volume. Monday is the busiest day (36,495), but weekend and weekday per-day averages are effectively equal (685.9 vs 684.5), so there is no material weekend effect.
